

How would you like a banner at the Fair with your name on it?!?

Our 2024 3-day July event will be our 49th year! Our annual fair is a place for our community to gather, enjoy activities, relax, dance, eat and meet their neighbors. We start off with a Firemen's Parade on Friday evening with our newly chosen Miss Raymond, Jr Miss Raymond & Little Miss Raymond Pageant winners riding in the Firetrucks. Saturday morning starts off with our Children's Parade bringing families together creating a grand march down Epping Street. We have live music everyday & an incredible Fireworks Extravaganza on Saturday night. Dog lovers enjoy parading their pups on Sunday morning.

We are self-funded and receive no funds from the Town. Our volunteer committee organizes all aspects of the Fair including vendors, musical entertainment, fireworks, educational & children's entertainment. In the past we've been able to raise enough funds to cover these expenses. However, the past few years our costs have grown exponentially and we would like to stay a financially independent event. That said, we need help to continue this beloved tradition.

We thank you for your generosity!

We are enclosing a Sponsorship form.
