2) Granting a variance would be consistent with the spirit of the ordinance because: _____

3) Granting a variance would do substantial justice because: _____

4) Granting a variance would not diminish the values of surrounding properties because: _____

- a. No fair and substantial relationship exists between the general public purposes of the ordinance provision and the specific application of that provision to the property because:

b. The proposed use is a reasonable one because:

6) If you cannot provide a response establishing the criteria in 5(a) and 5(b) above, explain how an unnecessary hardship will be deemed to exist if, and only if, owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance, and a variance is therefore necessary to enable a reasonable use of the property.
